

Capitol Energy provides used, heavy equipment for various applications and industries. We buy and sell construction equipment for any site preparation and excavation throughout North America. No matter the project size, we can source the appropriate equipment to get the job done. Our inventory is constantly changing with a large selection of cranes, excavators, loaders, backhoes, dozers, compactors, graders, and skid steers to name a few.

We offer several financing options to assist with the process of purchasing any of our equipment lines. Whether it be one piece of equipment or an entire fleet, we have the right option to fit your needs. We carry all the trusted brands that you are familiar with and when you're ready to buy or sell, give us a call today to get a free quote!
